MNMA STUDIO REDESIGN

2021

The image shows a side-by-side comparison of two versions of the MNMA website. The left side represents the 2018 design, characterized by a dark, monochromatic aesthetic. It features a large, stylized white logo icon on a black background. Below the logo, the letters 'MNMA' are written in a bold, white, sans-serif font. To the right of the logo, there is a photograph of a minimalist interior space. The interior features a large, light-colored sofa with white pillows, a wooden coffee table, and a wooden armchair. The floor is a light-colored wood. The overall composition is clean and modern. The right side represents the 2021 redesign. It features a light gray background. At the top, there is a header with the 'MNMA' logo and a navigation menu. Below the header, the word 'TRANSDISCIPLINARY' is written in small capital letters, followed by 'ARCHITECTURE STUDIO'. The main title 'MNMA STUDIO REDESIGN' is displayed prominently in large, bold, green and black letters. Below the title, the year '2021' is centered in a black box. The central part of the page contains a large, bold title 'CASA CUPE' with '(250 M²)' and 'HOUSE IN PERNAMBUCO (2018)' in a smaller, gray font. Below this title, there is a section titled 'Photographed by Andre Klotz' and another section titled 'Retail Store in São Paulo (Brazil)'. A detailed description of the project follows, mentioning its location in Pernambuco, Brazil, and its integration with nature. At the bottom, there is a call-to-action button labeled 'EXPLORE'.
